

Client	Country	Date	Commodity	Project
Amselco Exploration Inc., Reno, Nevada, U.S.A.	U.S.A.	1982 - 1984	Zn-Pb	Visits to and evaluation of lead-zinc exploration projects and mining properties in Montana, Idaho and Nevada
Apex Silver, USA	Europe, N. Africa, SE Asia	1996	Ag	Regional evaluation of potential for silver mineralisation (literature)
BHP Minerals International	Regional	1989	Zn-Pb	Preparation of exhaustive study on SEDEX base metal mineralization
	Scandinavia	1993 - 1995	Zn-Pb	Project generation and supervision of initial zinc-lead exploration programmes in Bergslagen
	Poland, Germany	1995 - 1996	Cu, Zn-Pb	Preparation of study of Zechstein Cu mineralisation, and preparation of field trips to Kuperferschiefer mines and localities, and detailed evaluation of controls to Zechstein Cu mineralisation
	Thailand	1994	Cu-Zn-Pb	Evaluation of copper-lead-zinc mineralisation
	Germany	1994	Zn-Pb	Study of controls to SEDEX lead-zinc mineralisation
	Russia	1996	Cu	Study of stratabound copper mineralisation (literature)
	Spain, Turkey, N. Africa	2000 - 2001	Zn	Review of Zn opportunities in Mediterranean Europe, and field followup
Billiton International Metals	Europe	1999	Zn	Presentation of seminar on European Zn-Pb mineralisation, and SEDEX mineralisation
	Central Asia	1999	Zn-Pb	Preparation of information on zinc-lead mineralisation in central Asia (literature)
BP Minerals	South America (Chile, Argentina)	1986	Zn-Pb	Review of reports on zinc-lead exploration projects.
Cameco Gold Inc	Europe, Africa (site visits: Mali, Tanzania, Morocco, Ghana, Sweden, Finland, Slovakia, Bulgaria, Macedonia, Spain)	1997 - 1999	Au	Semi-permanent consultancy: monitoring of of gold exploration and mining opportunities, and detailed on site evaluations for possible acquisition or private placement/strategic alliance.
Charter Consolidated plc, London, UK	Spain	1985 - 1986	Zn-Pb	Visits to and geological evaluation of lead-zinc mining property in Andalusia
Chevron Resources Company, San Francisco, U.S.A	Germany	1986-87	Au	Geological mapping, sampling and evaluation of gold mineralisation
Cominco Exploration, Vancouver, Canada	Canada	1987	Zn-Pb	Presentation of a seminar on SEDEX base metal mineralisation, with reference to potential in Canadian sedimentary basins
Cominco American, Spokane, USA		1999	Zn-Pb	Presentation of seminar on European Zn-Pb mineralisation, visit to Red Dog mine and commentary
Cluff Resources plc, London, UK	Turkey	1986	Au	Regional evaluation of potential for gold exploration (literature)
	Uganda	1986	Au	Evaluation of potential for gold exploration (literature)
	Oman	1989	Au	Visit to evaluate potential for gold and base metal exploration
	Yemen	1988	Zn-Pb, Au	Visit to Yemen to evaluate Zn-Pb, and Au potential, and establish initial Zn exploration programme
	Bulgaria	1990	Au	Evaluation of gold mining and exploration projects
	Czechoslovakia	1990	Au	Evaluation of gold mining and exploration projects in Slovakia and Bohemia
	Myanmar (Burma)	1987/1989	Au	2 visits to & evaluation of gold mining projects.
	Ethiopia		Au	Review of gold exploration potential (literature)
CMQ Resources Inc., Toronto	Finland	2000	PGE	Identification of PGE exploration projects, application of licences
CRA Ltd, Jakarta, Indonesia	Indonesia	1987	Zn-Pb	Review of exploration data and visits to properties to evaluate possible JV opportunities
	SE Asia	1986	Zn-Pb	Major report on zinc-lead mineralisation and exploration opportunities (literature and field visits)
Cyprus-Amax Minerals, Denver, USA	Czech Republic	1992/3	Au	Evaluation of the Gold Tender, assessment of various projects
	Regional	1990's	Cu, Au	Preparation of detailed country reviews (Morocco, DR Congo, Norway, Sweden, Finland, Poland) on exploration potential (including legal aspects, land status etc) for copper, gold, lead and zinc
	Scandinavia	1999	Cu, Au	Target identification study for Cu-Au mineralisation in northern Finland and Sweden
Dalrymple Resources, Perth, Australia	Spain	1987 - 1989	Au	Identification and evaluation of gold exploration projects in northwestern Spain
Department of Trade and Industry/British Geological Survey, UK	UK	1992 - 1996	Base-, Precious Metals and Industrial Minerals	Minerals Consultant to DTI, regular reviews of Minerals Reconnaissance Programme projects in UK
Ente Vasco de la Energia (EVE - State Natural Resources Holding Co), Bilbao, Spain	Spain	1986 - 1989	Zn-Pb	Visits to and detailed evaluation of lead-zinc exploration projects
Esso Erz GmbH, Nürnberg, FRG	Germany, France, UK, Spain, Belgium, Ireland	1982 - 1985	Zn-Pb	Generation of zinc-lead projects and evaluation of ongoing exploration - extensive field work in Germany, France, UK and Spain

Client	Country	Date	Commodity	Project
Esso Minerals Canada, Vancouver, Canada	Canada	1984 - 1986	Zn-Pb	Analysis of all sedimentary basins in Canada for potential of SEDEX zinc-lead and stratabound Cu mineralisation (major 3 year project with extensive field work throughout Canada)
Eurasian Minerals Inc., Vancouver, Canada	Serbia, Macedonia, Romania, Ukraine, Albania	2004 - 2006	Au - Cu	Management of all exploration activities in SE Europe, project generation, designing and implementing drill programmes, QA/QC, QP/CP Reports, establishing local offices
Europa Minerals Ltd, London, U.K.	Germany	1987-1988	Au	Generation and Field supervision of gold exploration project
	Norway	1987	Au, PGE	Evaluation of gold and PGE potential (literature)
EU Pillar IV - UNMIK	Kosovo	2001 - 2003	Base-, Precious Metals and Industrial Minerals	Administration of mineral licensing, compilation of geology and mineal deposits, promotion of mining industry, drafting of mining policy and legislation.
Exxon Minerals Company	USA	1982-1983	Zn-Pb	Preparation of and presentation of short courses on SEDEX zinc-lead mineralisation
Federal Institute of Geosciences and Natural Resources, Hannover, Germany	Burma	1984	Cu	Detailed geological mapping (1: 25,000 map sheet) and evaluation of copper mineralization in SW Burma
	Burma	1983	Cu, Zn-Pb	Field evaluation of exploration project in western Burma (Chin Hills)
	Burkina Faso	1981	Cu-Zn-Pb	Field evaluation of base metal exploration project in NE Burkina
	Niger	1985	Ni-PGE	Detailed petrological studies on Ni-PGE bearing serpentinites
	Cameroon	1987	U	Detailed petrological studies on uranium mineralised granites
	Ocean Drilling Programme	1992		Detailed petrological studies of materials recovered from ODP project
General Gold International SA, Perth, Australia	Mauritania	1995 - 1997	Au	Evaluation of and field management of gold and base metals exploration programmes
Golden Sheaf, Vancouver, BC	Norway	1997	Au, Zn-Pb	Review gold and base metal exploration and mining properties with site visits, re possible acquisition / JV.
Incanore Inc, Montréal	Finland	2001	PGE	Identification of PGE exploration projects, application of licences
Independent Engineers (Australia) Pty Ltd	Sweden	2004	Au - Cu	Qualifying Report for Beowulf Gold listing on AIM, London
Industrial Minerals company, Germany	Spain	1988	Industrial Minerals	Acquisition and Marketing Study for clay minerals (bentonite, sepiolite, attapulgite)
International Panorama Corp, Vancouver, Canada	Burma (Myanmar)	1993 - 1994	Au	Project generation and management of gold exploration programmes
MICON International Inc	Ireland	1997	Zn-Pb	Due diligence evaluation of Lisheen Feasibility Study (special emphasis on resource estimates)
	DR Congo	1998	Cu	Due diligence evaluation of Tenke-Fungurume Feasibility Study (special emphasis on resource estimates)
	Thailand	1999	Zn	Due diligence evaluation of Mae Sod mine and tenements (special emphasis on resource estimates)
	Guinea	2003	Au	Due diligence evaluation of the Lero mines and exploration projects
MRDI Inc, San Mateo, USA (World Bank Contract)	Zambia	1992	Cu	Detailed mapping, core logging and preparation of study on the controls to the Cu mineralisation in the Zambian Copper belt, special emphasis on the Mufulira Mine
Newmont Exploration Ltd., Danbury, CT, U.S.A.	U.S.A	1983	Zn-Pb	Visits to and evaluation of lead-zinc exploration projects and mineral properties in Arkansas.
Niugini Mining, (through NEDEX consultants), Sydney, Australia	Spain	1989-1990	Au	Visits to and evaluation of gold properties in Andalucia. Compilation of technical and legal data on mining in Spain.
Norsk Hydro, Oslo, Norway	Spain	1989-1990	Magnesite	Investigation of potential for magnesite mineralisation in northern Spain and evaluation of properties.
Outokumpu	Cuba	1990	Cu, Zn-Pb	Assessment with site visit of the Santa Lucia Zn-Pb and Matahambre Cu mines
Phelps Dodge Exploration, USA	Germany	2004	Cu	Review of and field visit to stratabound Kupferschiefer copper mineralization in Germany.
Placer-Outokumpu JV (POE)	Europe	1991	Au, Zn-Pb	Review of base metal and gold mineralisation, and exploration opportunities in Europe and North Africa
Placer Exploration, USA	Africa, Europe,	1995	Au, Zn-Pb	Preparation of country reports on gold mining and exploration projects
Private Company, Italy	Romania	1999	Au	Assessment of gold projects, Baia Mare district, northern Romania
Private Company, Toronto	Austria	1988	Au	Visits to and evaluation of gold exploration projects
Public Company, Australia	Tunisia	2006	Zn-Pb	Assessment of lead - zinc exploration projects
Public Company, Canada	Poland - Germany	2006	Cu	Evaluation of exploration opportunities in the Zechstein Kupferschiefer district
Rio Algom Ltd	Spain	1998	Zn-Pb	Detailed review of the geology of the Zn-Pb mineralisation in Northern Spain (literature)

Client	Country	Date	Commodity	Project
Riomina Exploraciones SA, Madrid, Spain	Spain	1993	Zn-Pb	Field evaluation of base-metal exploration projects in northern Spain
RTZ / Rio Tinto, Bristol, UK	Argentina	1995	Zn-Pb	Evaluation of zinc-lead exploration and mining opportunities
	Germany	1988 - 1998	Zn-Pb, Au	Project generation, license applications, and field work on base metal and gold exploration projects, provision of information on mining regulations, act as local address for licence
	Greenland	1992	Zn-Pb	Review of data from zinc-lead exploration projects
	UK, Ireland	1988	Zn-Pb	Presentation of seminar on geology of sedex Zn-Pb mineralisation, and subsequent field visits
	South Africa	1996	Zn-Pb	Presentation of seminar on geology of sedex Zn-Pb mineralisation, and subsequent field visits
Savage Resources, Sydney, Australia	Ireland	1996	Zn-Pb	Evaluation of zinc-lead properties prior to possible JV decision
St. Joe Exploration GmbH, Hannover, FRG	Germany		Zn-Pb	Evaluation of lead-zinc and stratabound-Cu exploration projects
State Mining Property Commission (NSG)	Sweden	1989 - 1992	Zn-Pb	Evaluation of copper-zinc exploration projects in Central Sweden
Taranis Resources Inc, Vancouver, Canada	Finland	2002 -	Au	Project generation, preparation of successful bid for tendered projects, supervision of drilling programme
UNDTCD	Europe	1990	Zn-Pb	Preparation and leading of a study tour for Asian geologists to SEDEX mines and projects in Central Europe and Ireland
UNESCO	Peru	1985	Cu-Zn-Pb	Study Seminar on the geology of base-metal mineralisation, visits to zinc and copper mines
ZincOx Resources plc	Global	1997 - 1998	Zn	Global review of zinc oxide deposits, and evaluation of opportunities in Mexico, Chile, Argentina, Spain, Burma
